Ivins • April 25, 2009

Once again, Harold and Judy Turner's place in Ivins was an ideal setting for the spring party. Their big comfortable rooms and inviting patios enticed even the most reticent to join in the conversation, laugh too loud and interrupt with their own "good ol' days" stories. About seventy people did just that, while enjoying their drink of choice with a classic picnic meal.

Our President, Rick Soltis, reminded me to thank the Southern Utah colony of retired firefighters who were such great hosts:

- Harold and Judy Turner for the use of their home.
- Jerry and Sharleen Erickson for their Mexican Chicken, Pork, Beans and Rice.
- Vicky and Dick Joy for the Beef they prepared.
- Dick and Eddie Barrett for their authentic Tamales.
- Varnel and Yvonne Parkinson for the root beer.
- Ray Schelble for his photography.

- Dave Lambert for cooking and serving.
- And all the people who came a day early to put up the awnings in the wind.

It was windy and rainy both before and after the party, but a cooling breeze and brief light sprinkle made the weather perfect during the picnic. People

had to layer up briefly, but everyone, even the motorcycle riders, managed to stay comfortable in their springtime duds.

SLCFD Annual Promotion Ceremony

The Salt Lake City Fire Department will be hosting an annual formal promotion ceremony on June 24, 2009, from 3 p.m. to 5 p.m. in the City Council Chambers. According to SLCFD Chief Tom Shannon, the purpose of the ceremony is "to provide a consistent opportunity for Mayor and Council to acknowledge the new members of the SLCFD, newly

promoted members and the retirees from the past year (fiscal year). This will be a media event as well, and is intended to 'showcase and promote' the department." Those promoted during the year, such as captains, engineers, etc. will be sworn-in at the event, as well as new recruits. Retirees are welcome to come.

Update on Varnel "Parky" Parkinson

Parky told us he would appreciate it if we let everyone know he is in a rehab center for a little while. He got an infection in his artificial knee and the knee had to be removed so the infection could heal. Once

the infection is gone he will have some options about putting the knee back in service. Meanwhile, he said he would enjoy visits or calls at Aspen Ridge West, 5323 South 700 West, room 227, 801-713-3227.

On the Lighter Side

The recruit firefighter was always in trouble with his Captain because his boots never looked good. They were so beat up, burned and scarred they were impossible to shine. One morning at roll call the recruit proudly pointed out his brand new shiny pair of boots.

“Those are nice boots.” acknowledged the Captain. “Where did you get them?”

“At the uniform store.” replied the proud recruit.

“Which one?” the Captain asked.

The recruit looked down at his new boots, puzzled, and said, “Both of them.”
